

Saturday, July 7th
Enjoy a day on the Water

These two water based programs will be videotaped for use on social media and possibly even the TPWD television program.

Stand up Paddle boarding 101

9:00 - 11:00am at the Boat Rental Launch

Learn all about paddle boarding through an informative class and hands-on experience on the lake in this interactive program. The paddle board requires a one hour rental from the Park Store, for \$10. Limited to persons ages 13 and older. *requires free reservation: call 936.365.2201 x2060

Kayak with a Ranger

1:00 - 3:00pm at the Shelter Boat Ramp

Learn the basics of kayaking and then take a guided tour of one of the park's coves. Children are allowed in this program, but must go out with an adult. *requires reservation: 936.365.2201 x2060

Saturday, July 14th

Fire is Living History:

3:00pm outside Sunset Marina, the park store

Learn about primitive fire starting methods such as the bow-drill and flint and steel. Rangers will cover why fire was important in the past, and why it is important today.

Saturday, July 21st

Fishing with a Ranger:

8:30 - 10:00am on the fishing pier

Join Park Rangers for a morning of fishing. Rod and Reels, advice on casting and fishing techniques, and limited amounts of bait will be provided. Children are welcome.

Critters of E. Texas:

2:00 - 3:00pm in the Nature Center (park store)

Learn about the different mammals and reptiles that call the Pineywoods of E. Texas home in this program which will be held in our air-conditioned nature center and park store, Sunset Marina.

Saturday, July 28th

Guided Nature Hike:

9:00am at the Pineywoods Nature Trail Boardwalk

Find out if you have what it takes to survive the zombie apocalypse on a 1 mile hike along the Pineywoods Nature Trail Boardwalk with Ranger Joel. We will stop at various points during our hike and roll dice to see if we find food, water, shelter, and space. Learn about the daily fight for survival woodlands creatures face in an entertaining and fun way.

Life of a Honey Bee:

1:00pm in the Park Store Interpretive Center

Come to the park store to watch live bees working inside our glass observation hive and learn about the life cycle, care, and importance of Honey Bees and native pollinators.
